   - Name of contact person: 
   - E-mail address: 
   - Telephone number: 

2. Name of collaborative: 
   - Name of contact person: 
   - E-mail address: 
   - Telephone number: 

3. Name of collaborative: 
   - Name of contact person: 
   - E-mail address: 
   - Telephone number: 

*Collaborative* – A public health collaborative is defined as a network of 3 or more organizations who work together towards a common goal. For the purpose of this study we will use the term “COLLABORATIVE” to represent a coalition, network, partnership, alliance or similar group and its affiliated partners.
